SAINT PAUL PUBLIC LIBRARY

August 2011

Saint Paul Public Library's Open Hours 2011 & 2012

As a result of the City of Saint Paul's reduction in Local Government Aid, the Saint Paul Public Library is expecting a seven percent budget decrease in 2012. The Library will structure the reduction to maximize access to its valuable services by remaining open seven days a week during both morning and evening hours, and online 24/7.

In January 2012, the Saint Paul Public Library is expected to be open 645 hours per week throughout the system. Currently, the Library is open 691 hours per week.
